Park District Response to COVID-19

The Adams Appointed Metropolitan Park District continues to monitor the coronavirus (COVID-19) situation as it pertains to the park visitors and park operations. The health and safety of park visitors, volunteers and staff is of utmost importance.

Effective Tuesday March 17, 2020

- ALL programs scheduled through March 31, 2020 are cancelled
- ALL reservations scheduled through March 31, 2020 are cancelled
- ALL meeting rooms and indoor facilities are closed until March 31, 2020

Decisions regarding cancellations/closures after March 31, 2020 will be made in the best interest and health of park visitors and the community at large.

The Park District office will remain operational, while not allowing visitors. The administrative staff will still be available to answer questions over the phone.

The Park District is taking daily precautions in cleaning and disinfecting facilities, district wide. This includes public facilities (restrooms and playgrounds) and all employee facilities.

The parks are open and in keeping with our mission we strive to provide ways to enhance the quality of life for the citizens of Adams County. So please get out and enjoy the parks, take your dog for a walk, go for a run on our more than 30 miles of trails, or just relax and watch nature come to life with the coming of spring.
