

# JOHNNY APPLESEED

## METROPOLITAN PARK DISTRICT

### 2023 Seasonal Natural Resource Technician

Johnny Appleseed Metro Park District is looking to fill a Seasonal Natural Resources Technician position with an enthusiastic, professional and responsible individual.

#### General Duties:

- Assist the Natural Resource Department in:
  - Invasive species management
  - Native prairie restoration/conversion
  - Wildlife Surveys
  - Archery programs
  - Assist in documentation of herbicide usage and habitat work.

#### Qualifications:

- Preferred earned or working towards a Biology, Natural Resources, or related degree.
- Knowledge of basic ecology and general plant and animal ID preferred.
- Experience with herbicide use preferred.
- Knowledge and experience in operation of hand tools, equipment, and vehicles, etc.
- Excellent public relation, organization, and communication (written and verbal) skills.
- Valid Ohio driver's license in combination with a clean driving record.
- Ability to work flexible hours – some evenings and weekends.
- Ability to follow directions, research, and anticipate needs.

#### 2023 Projects:

- Wetland construction
- Deer and Herp population surveys
- Native plant landscaping
- ~15 acres of pollinator prep
- Seed collecting
- Prescribed fire
- Biodiversity census
- Archery programs

#### Hours/Compensation

- 40 hours a week
- \$12.00 per hour
- Start and end dates are flexible but must be available for at least 12 weeks.

Any interested applicants should send a cover letter and resume to the JAMPD Natural Resource Department at 1682 Slabtown Rd., Lima, Ohio 45801 or [aroby@jampd.com](mailto:aroby@jampd.com). For questions email or call 419-221-1232.

Deadline to apply is March 24, 2023.
